

Welcome to the GANM Library Resource Step-by-Step Guide!

This tutorial provides steps on how to add resources to the GANM Library. Resources can be submitted by GANM members and will appear in the GANM Library following approval by the site moderator.

For more information watch our GANM Library Resource Tutorial video!

1. LOG IN or REGISTER for the GANM Knowledge Gateway at:
<https://knowledge-gateway.org/GANM>
2. Go to LIBRARY tab in the *top right* of the GANM homepage
3. GANM's library is organized according to Sustainable Development Goal 3 targets listed on the *left side* of the Library screen
4. Choose the appropriate target category for the resource you would like to add from the list on the *left side* of the Library screen
5. Once target category is chosen, select NEW LINK
6. Copy and paste the title in the TEXT box and the URL of the resource you would like to add in the new link pop up box on the GANM Library home screen
7. Add description or leave blank
8. Select SUBMIT FOR APPROVAL
9. Resources will then be reviewed by the site moderator to ensure adherence to copyright regulations* and officially added to the GANM Library.

*See the *Copyright Information Flowchart* located in the Library for more information about copyright regulations for the GANM Library.

Thank you for your contributions!

Sincerely,
The GANM Team
